Is my primary role to work with classes on a daily,
weekly, or other predetermined schedule?

Yes

Use content area student standards to identify an enduring skill used to create Growth goals for a student group.

May be based on grade level, class, or skill.

Librarians may use AASL student standards

Counselors use ASCA student standards

Therapeutic Specialists use KCAS ELA or other classroom based student standards.

No

May develop student growth goals similar to principal or administration.

May use school report card targets.

May use goals similar to the teachers the Other Professional supports.
